Seamen's Hospital Society.

ANNUAL REPORT FOR THE YEAR 1928.

IN presenting herewith their 108TH ANNUAL REPORT, the Board of Management wish to thank the Governors and other friends of the Society for the generous support which they have again afforded on behalf of the Sailor both at home and abroad. The income and expenditure has nearly balanced, there being a small sum on the right side.

The number of beds in the Society's seven establishments is now 627.

* * * *

Both those who have long taken an interest in the Society's work, and those who helped to build and equip the Queen Alexandra Memorial Hospital in Marseilles, will be glad to learn that it has been successfully taken over and is now being administered by the Society. As is natural during the first year of administration, there have been difficulties to overcome, but, thanks to the guidance of the local Advisory Committee, under the Chairmanship of the Consul-General, Mr. Spencer Dickson, the goodwill of the French authorities, and the good service of Major C. P. Gardner, the Resident Secretary, this new branch has now found its footing. During the year there has been an average daily occupation of 20·5 patients.

The Board report with much gratification that Their Royal Highnesses the Prince of Wales and the Duke of Gloucester paid a visit to the Hospital on their way to Africa

last September. They were received by Sir Arthur Clarke, the Chairman of the Society, and a large number of members of the British colony of Marseilles were gathered within the Hospital grounds to welcome the royal visitors.

The expense of staffing and maintaining a British Hospital abroad is necessarily heavy, and there is a considerable deficit on the year's working. The Hospital, however, has more than justified its existence, and has earned the gratitude of many patients who have had occasion to seek in the Port of Marseilles the aid of a Hospital run on British lines.

* * * *

The Board record with deep regret the death of General the Hon. Sir Reginald Talbot, K.C.B., who joined the Board of Management in 1909, and was elected a Vice-President of the Corporation in 1920.

Also of Sir John Craggs, M.V.O., founder of the Craggs' Research Scholarship and the Craggs' Prize, which were awarded in connection with the Society's work in the sphere of Tropical Medicine. Sir John Craggs had served as Vice-President of the Society since the year 1902.

The Society has lost one of its most valued and able servants during the past year in Mr. A. Parsons, the Society's Radiographer, who died as a result of X-ray dermatitis on the 15th June. Mr. Parsons began his radiographic work at the Westminster Hospital in the early part of the century, and came to the Dreadnought Hospital in 1909. While he earned the distinction of being amongst the pioneers in this branch of science, he also suffered the penalties of those who blaze the trail that others may follow in safety.

* * * *

Mr. F. S. Arnold Baker, Master of the Supreme Court, has been elected a member of the Board of Management. His family have been long connected with the Society, since he is a nephew of the late Sir Perceval Nairne.

The Pathological Department of the Dreadnought Hospital has now moved into its new Laboratories, and the new Nurses' Home will be ready for occupation by the time this report is issued.

As soon as the Nurses have moved across to their new Quarters a start will be made in reconstructing the old Hospital building, which is part of the Devonport scheme.

The linking up of the new boiler unit with the hot water system in the Dreadnought Hospital entailed the carrying of pipes twenty feet below the surface of the main thoroughfare. The task was a difficult and lengthy one, but it has now been successfully accomplished.

* * * *

The Society's laundry at the Albert Dock Hospital, which has hitherto served that Institution and also the Dreadnought Hospital, has during the past year been enlarged and equipped with new and additional machinery, which has made it possible for the laundry from the Hospital for Tropical Diseases, Endsleigh Gardens, to be dealt with in the Society's own establishment.

* * * *

By a special gift from King George's Fund for Sailors, the Singhanee Ward for Indian seamen at the Tilbury Hospital has, during the past year, been enlarged and now contains sixteen beds. The enlarged Ward was formally opened by Sir Atul Chatterjee, K.C.I.E., the High Commissioner for India, on Wednesday, the 28th of November.

* * * *

Nurses, past and present, continue to do credit to the Training Schools at Greenwich, the Albert Dock and Tilbury. The Board of Management has been entrusted with the organisation of the nursing service for three of the large steamship lines and the selection of candidates for these appointments.

As was most fitting, the Nursing Staff of the Seamen's Hospital Society was represented at the unveiling by H.M. the Queen of the Mercantile Marine War Memorial at Tower Hill on Tuesday, the 12th of December.

* * * *

The Board wish to express their gratitude to King Edward's Hospital Fund for London ; King George's Fund for Sailors ; the Metropolitan Hospital Sunday Fund ; the Hospital Saturday Fund, and the Hospitals Welfare Society. The most cordial relationship also exists between the Hospital Saving Association and the Seamen's Hospital Society in their common work of relieving sickness and suffering.

Grateful thanks are also due to the following Committees for their support of the Society's branches in their various neighbourhoods—

Seamen's Hospital Aid Committee, Greenwich ;

East Ham Palace Entertainment Committee for the
Albert Dock Hospital ;

Tilbury Hospital Committees at Grays and Tilbury ;

also to the Seamen's Hospital Society's Remembrance League, and to the Ladies' Associations connected with the Sanatorium at Bramshott and the Tilbury Hospital respectively, which have worked so efficiently during the past year to provide the particular Hospitals with linen and garments for the comfort of the patients.

* * * *

On behalf of all the patients who have received the benefit of their ministrations, the Board express grateful thanks to the Chaplains of the various establishments, and to the Pastors of the Scandinavian and other Churches, who have laboured so assiduously for the welfare of their countrymen in the Port of London.

The following endowments have been made during the year at the Dreadnought Hospital :—

“ Seamen’s Hospital Aid Committee Beds, Nos. 8 and 9.”

“ Charles F. Torrey Bed.”

“ Lady Malcolm of Portalloch Bed.”

“ Arthur Francis Bed.”

During the year the following patients have been treated :—

EVENTS OF THE YEAR 1928.

The presence of distinguished figures in social, political and commercial circles has always bestowed an exceptional interest upon Courts of Governors of this old Corporation, but the Court held on the 20th March last was perhaps the most brilliant of recent years. The President, H.R.H. the Duke of York, took the chair, and was supported by H.E. the French Ambassador, the Rt. Hon. Neville Chamberlain, Minister of Health, and Sir Edward Crowe, C.M.G., Comptroller General of the Department of Overseas Trade.

On Thursday, 1st March, the tablet erected in the Northumberland Ward, over the eighth bed endowed by that indefatigable body of workers, the Seamen's Hospital Aid Committee, was unveiled by Sir James Michelli. Sir Arthur Clarke, the Chairman, presided at this function, and a large number of members of the Aid Committee and friends of the Hospital were present.

The Annual Nurses' Reunion and Prizegiving was held in the grounds of the Dreadnought Hospital on Saturday, 23rd June. Miss Janet Williams, A.R.R.C., a former Matron at the "Dreadnought," presented the Bernhard Baron medals and other prizes to the successful nurses. At the conclusion of this ceremony a Fête and Garden Party, organised by the Dreadnought Ladies' Remembrance League, was held in the grounds of the Hospital.

The Annual Meeting of the Ladies' Remembrance League was held by kind invitation of Sir Richard and Lady Webb, at the President's House, Royal Naval College, on Saturday, 10th November, and was attended by a large number of members of the League.

During the year two changes have taken place in the Hon. Surgical Staff of the Dreadnought Hospital. Mr. Cecil Rowntree, F.R.C.S., who has been associated with the Society's parent Institution since 1912, and Mr. Ogier Ward, D.S.O., M.C., M.Ch., who was appointed in 1925, have felt compelled, owing to pressure of work, to sever their connection with the Corporation. To fill the vacancies thus created the Board have appointed Mr. T. G. D. Bonar, M.S., F.R.C.S., and Mr. R. Lester Williams, F.R.C.S.

Col. John Illius, I.M.S., retired, has succeeded Dr. L. Savin as Medical Superintendent.

Mr. Oliver Halstead, of Guy's Hospital has joined the staff as Anæsthetist.

A very old servant of the Society has passed away during the year in the person of "old John"—John Tornroth. A native of Finland, Tornroth entered the Dreadnought Hospital as a patient in May, 1906. When convalescent he became attached to the staff of workmen engaged in the Hospital, and continued an employee of the Society until his death in May, 1928—a period of 22 years.

The X-ray Department at Greenwich has been equipped with a new X-ray installation at a cost of £700.

The Society once again took part in the Old English Fête held at the Botanic Gardens in July, under the auspices of the British Charities Association. In addition to the

handicraft work made by the sailor patients, the Society's stall was, with the cordial co-operation of the Empire Marketing Board, stocked with Empire produce brought from overseas by the Sailor.

ALBERT DOCK HOSPITAL.

Not only the Hospital staff, but indeed patients in all parts of the world, were saddened by the death in tragic circumstances of Robert McKay, who was run over by a motor lorry and fatally injured on 9th November. "Robert" started his work in the Albert Dock Hospital as Sir Patrick Manson's laboratory boy close on thirty years ago, and retained his post in the Hospital after the London School of Tropical Medicine was transferred to London. He had assisted many of the great figures in the world of Tropical Medicine, and his death is greatly deplored. The Society has lost one of its most valued servants.

A new X-ray apparatus has been installed at a cost of £1,000.

HOSPITAL FOR TROPICAL DISEASES.

H.H. the Princess Marie Louise visited the Hospital on 17th July to present the "Duncan" Gold Medal to Nurse Dorothy Bates, who came out first in the annual examination in Tropical Medical Nursing.

Cordial congratulations are extended to Sir Leonard Rogers upon his promotion to the rank of Major General and his appointment as President of the Medical Board of the India Office.

Dr. N. Hamilton Fairley, O.B.E., has been appointed Assistant Physician and Director of Pathology. It is hoped

that the Society will be enabled by those who have interests in the tropics to provide Dr. Fairley with a laboratory equipped with all the necessary apparatus of modern science.

It was a pleasure to receive Baron Holvoet, Governor of the Province of Antwerp, who came to London on purpose to study the manner in which the Society organises the treatment of Tropical Diseases and the care of seamen. He also visited the Tilbury Hospital.

Thanks are extended to the inventors of the Klaiber intestinal bath, who have presented one of their installations to the Hospital.

The Board has agreed with pleasure to the extension of the agreement existing between the Society and the Colonial Office to the Foreign Office in respect of the treatment of Consular Officers, Commercial Diplomatic Officers and H.M. Trade Commissioners and their established Chief Clerks in the Dominions and Colonies.

Sir Edward Crowe, C.M.G., Controller General of the Department of Overseas Trade, has afforded the valuable co-operation of his Department in making the Hospital known in foreign ports.

Congratulations are extended to Mr. N. Don Stephen Silva, J.P., upon his receiving the Order of the British Empire. Mr. Silva took a prominent part in the endowment of both the "Ceylon" Beds at the Hospital in Endsleigh Gardens.

TILBURY HOSPITAL.

The Board has accepted with deep regret the resignation of Dr. J. J. S. Rowe, the Medical Superintendent. Dr. Rowe

had been in the service of the Society since 1914. The seafarer always held the principal place in Dr. Rowe's kindly heart, for he knew from personal experience the trials of a seaman's life. Dr. I. Price has been appointed as Dr. Rowe's successor.

Amongst the successful Carnivals which took place in the neighbourhood during the year were the Second Annual Grays Carnival early in July, and the Tilbury Gala on Saturday, 8th September.

ANGAS HOME.

Once again the Board desire to express their gratitude to the founder of the Home, Mrs. Angas, for her continued generous support of this place of recovery, where so many seamen are given back that strength demanded of them by their arduous calling.

The Annual Fête was held on 7th July, and was opened by Lady Clarke. Once again many trading firms (whose names appear on page 245) generously provided articles for the stalls.

The sympathy of all those who know the Angas Home will be extended to Mr. Hayward, the gardener, who has suffered the loss of his wife. The cheerful enthusiasm of Mrs. Hayward always ensured the success of any entertainment held at the Home.

The endowment of the Second Schools Bed progresses gradually, about £500—half the total sum required—having already been collected.

KING GEORGE'S SANATORIUM.

Perhaps none of the Society's Branches has had such a busy year as the Sanatorium, where the Vita Glass Ward and the Artificial Sunlight Unit have been made the fullest use of.

The Annual Fête and Tennis Tournament took place on Wednesday, 4th July, and was opened by Lady Burghclere. It was a pleasure to welcome at one of the Society's functions this gracious lady, to whose untiring efforts the completion of the Hospital in Marseilles was so largely due.

Dr. Alexander Ross fills the post of Assistant Medical Officer to his able and successful chief, Dr. J. E. Wood.

QUEEN ALEXANDRA MEMORIAL HOSPITAL, MARSEILLES.

It is with regret that there has to be recorded in this report the death of Mr. A. H. Holman, who was one of the founders of the British Hospital in Marseilles, now known as the Queen Alexandra Memorial Hospital. A memorial tablet is being subscribed for by the members of the London Finance Committee and the Committee in Marseilles as constituted before the Seamen's Hospital Society undertook the administration.

The Hospital was honoured by a visit from H.H. Princess Marie Louise on the 6th June, during her return journey from South Africa.

LEGACIES.

THE Committee observe with much regret that among the many large Bequests to Charities the Dreadnought and Sick Seamen seem often to be forgotten.

England's prosperity and greatness from all time comes through the sea, and the supporters of the Charity are earnestly asked to remember the Sailor.

Samaritan Fund.

THE Committee invite those Governors and Subscribers to the Society, and all friends of Sailors, who do not already contribute to the Samaritan Fund, to become Subscribers of 5/- a year.

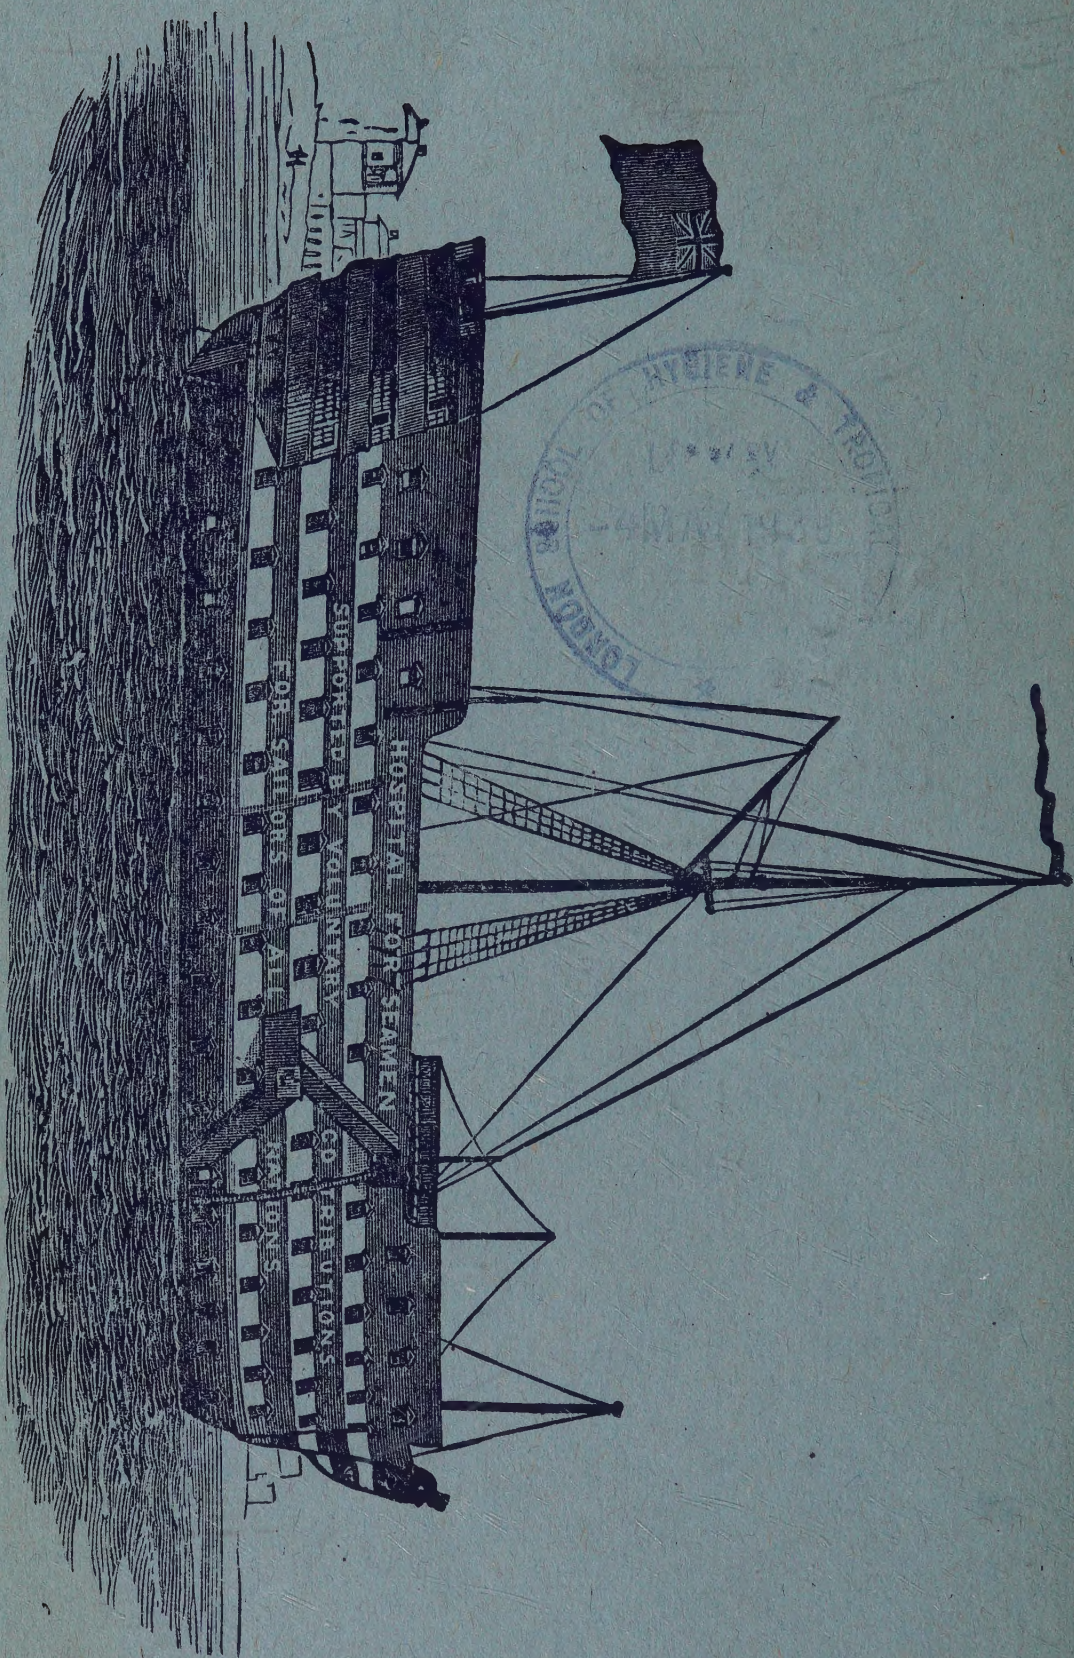

As is well known, the desire of the Seamen's Hospital Society is not only to cure the sick and injured, but to succour those who, through shipwreck, sickness, or other misfortune, are in distress when leaving the Hospital. The Samaritan Fund enables the Committee to assist such by providing clothing for those in need, and railway and boat fares to different ports in the United Kingdom to those who, but for the Fund, would find themselves among strangers in the Port of London—without money, and without a home. The incurable and those past work are sent, when practicable, to whatever part of the world they may belong.

Presents of Clothing and left-off Wearing Apparel will be most thankfully received and acknowledged.

Reproductions of Hollar's Long View of Greenwich are on Sale at the Hospital, for the benefit of the Samaritan Fund, price 2/6. Framed, 5/-.

FRIENDS of the Hospital
are asked to remember
the **SAILOR** when making
their Wills.
